

## **Wye Surgery**

### **Seeks**

### **A part-time Health Care Assistant / Associate Practitioner**

### **Working a minimum of 28hrs over 4 days.**

The applicant must hold all relevant qualifications. You should be available to work between Monday – Saturday between the hours of 7.30 am – 7.00pm as required. You will work as part of a team and will need to be available to cover annual leave and sickness.

As well as clinical tasks, the post holder will be partly responsible for the 'day to day' running of the treatment room. The role will include but not exclusively, collecting of pathological specimens and processing, wound care, hypertension screening, ECG/BP monitors, Doppler Studies, pre-diabetic checks, health promotion, health checks and assisting in GP and consultant led clinics. A full copy of the job description is available on request.

Salary will be in line with qualifications and experience.
