

Wye Surgery is looking to recruit a GP under the GP Retention Scheme to start as soon as possible.

Wye Surgery is an established purpose built, dispensing, rural, GMS practice situated in the picturesque village of Wye, covering an area of 125 square miles.

Our friendly practice is dedicated to team working, development and training, communication and holistic care. We hold weekly MDT meetings when we encourage informal discussion about patient care and treatment pathways.

We are/have:

- A well organised training and teaching practice
- Recently been awarded an overall CQC rating of “Outstanding”
- A team of 7GPs supported by a nurse practitioner
- High QOF achievement
- EMIS Web
- 8500 registered patients
- Retainer practice
- A forward thinking practice, offering a wide range of high quality NHS services to our local community including many Consultant Led Clinics.

The scheme will offer a maximum of 4 sessions a week, 6 weeks annual leave and 1 week study leave (pro-rata). Competitive salary and MDU/MPS subscription funded.

If you are a highly self-motivated team player who can add value to our Practice we would like to hear from you.
