

Plan B

The government has announced that England will move to Plan B in response to the risks of the Omicron COVID-19 variant.

This means:

- From **10 December**, you must wear a face covering in most indoor settings unless you are exempt.
- From **13 December**, you should work from home if you can.
- From **15 December**, you will need to show your NHS COVID Pass in places where large crowds gather, like nightclubs and large stadiums. An NHS COVID Pass is proof of a negative test or full vaccination via the NHS App.
